

SENIOR PUBLIC SERVANTS - WAGE INCREASES

131. Mr P.D. OMODEI to the Acting Premier:

I have a supplementary question. Does the government intend to change the legislation to allow the Parliament to scrutinise increases in these salaries?

Mr E.S. RIPPER replied:

It is not necessary to change the legislation to enable the Parliament to scrutinise these increases; it is happening right now. However, we certainly do not intend to change the legislation.
