

SCHOOLS — CHILDREN WITH HARMFUL SEXUAL BEHAVIOURS

14. Hon NICK GOIRAN to the Leader of the House representing the Minister for Education:

I refer to the answer on 12 October 2023 to my question without notice 1233, which advised the house that as at the start of term 4, three alleged or convicted offenders were attending the same public school as their victims.

- (1) As at the start of term 1, are these three offenders still at the same school as their victims?
- (2) If yes to (1), for how many terms has this been the case?
- (3) What is the current total number of alleged or convicted offenders who are attending the same public school as their victims?
- (4) For the calendar year 2023, how many police notifications did the department receive under the protocol to manage safety arrangements for school students?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) No. Two of the three are.
- (2) Of those two students, for student 1 it has been 13 terms and for student 2 it has been five terms.
- (3) A total of two.
- (4) A total of 19.
