

WATER CORPORATION, TENDER NO MN-02-10963

**231. Hon MURRAY CRIDDLE to the Minister for Government Enterprises:**

My question relates to Water Corporation tender No MN-02-10963 - welding repairs to the great southern towns water supply pipelines.

- (1) When were the tenders called?
- (2) Who were the tenderers?
- (3) What were the tender prices?
- (4) Who won the tender?
- (5) Will the minister table the tender documents?

**Hon NICK GRIFFITHS replied:**

I thank the member for some notice of this question.

- (1) The tender was publicly advertised in *The West Australian* on Saturday, 17 August 2002.
- (2) Ten tenderers submitted tenders, which are listed in the order of opening: MSE & Associates Pty Ltd; Quality Group Services Pty Ltd; Fazfab; FTE Engineering; Mainline Engineering Services; KT Pty Ltd; AGC Technologies Pty Ltd; AMMS Engineering and Maintenance Services; GBT Nominees Pty Ltd; and T & R Mobile Welding Service.
- (3) As this is a schedule of rates contract, the Water Corporation will not disclose the rates bid by any of the bidders.
- (4) The contract was awarded to Fazfab, which submitted the lowest conforming tender. All tenders were assessed in accordance with the buy local policy.
- (5) Yes, I table the tender document "Welding Repairs to the Great Southern Towns Water Supply Pipeline - WS and NB extensions."
