

GRAIN SILOS, CYANIDE CONTAMINATION

355. Hon Jim Scott to the Attorney General representing the Minister for the Environment:

- (1) What studies have the EPA or DEP carried out on cyanide contamination at the North Fremantle grain silos and will the Minister for the Environment table them?
- (2) Has cyanide been detected in the grain silos?
- (3) If yes, how much?
- (4) Have any studies been carried out by the EPA or DEP on the impact of using cyanide contaminated rubble from the grain silos as breakwater fill?
- (5) If yes, will the Minister table them?
- (6) Did the Minister for the Environment inform the Minister for Heritage of this cyanide contamination?
- (7) If so, when?

Hon PETER FOSS replied:

- (1) None.
- (2)-(3) Not applicable.
- (4) No.
- (5)-(7) Not applicable.
