

DR NEALE FONG - OPPOSITION FREEDOM OF INFORMATION APPLICATION

609. Mr P.D. OMODEI to the Attorney General:

I ask a supplementary question. The Attorney General failed to present 36 out of 49 documents. Will he immediately release all the documents in relation to Neale Fong's appointment in the interests of open, transparent and accountable government; and, if not, why not?

Mr J.A. McGINTY replied:

We have released all the documents that we were able to in accordance with FOI law.
