

GRAIN FREIGHT NETWORK

804. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to the grain freight network.

- (1) Has the minister received any complaints regarding the quality of the road upgrades under this program?
- (2) If yes to (1), which roads and what was the nature of the complaint?
- (3) What action is the minister taking to address the complaints?

Hon JIM CHOWN replied:

I thank the member for some notice of this question.

- (1)–(3) Main Roads Western Australia is not aware of any complaints regarding finished works. However, a thorough check of all correspondence could not be undertaken within the given time frame.
