

PERTH FREIGHT LINK — SECOND STAGE

1081. Hon SUE ELLERY to the parliamentary secretary representing the Minister for Transport:

I refer to the second stage of the Perth Freight Link and the minister's claim to the *Melville Times* on 23 June 2015 that three companies had been hired to assess the costing and feasibility of alternative routes.

- (1) Has the government received the costings of the feasibility of these alternative routes?
- (2) If yes to (1), what is the cost of each of these alternative routes?
- (3) When will the government make a final decision on the second stage?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

- (1) No.
- (2) Not applicable.
- (3) A final decision will be made following an assessment of the costings and feasibility of the alternative routes.

The PRESIDENT: It is important that answers are read coherently so that members can hear them and understand them, and not just a written copy handed to Hansard.
