

EXHIBITION AND CONVENTION CENTRE, METROPOLITAN REGION SCHEME AMENDMENT

**374. Dr GALLOP to the Minister for Planning:**

Does the project require an amendment to the metropolitan region scheme; and, if so, when does the Government intend to seek parliamentary approval for the amendment?

**Mr KIERATH replied:**

As I have said, the matter is still before Cabinet.

Dr Gallop: It is a simple question - does it or does it not?

Mr KIERATH: The matter is still before Cabinet. When Cabinet considers it, I shall make any information available.
