

WELLINGTON NATIONAL PARK

Petition

MR M.P. MURRAY (Collie–Preston) [2.56 pm]: This petition has been certified as conforming with standing orders of the house signed by 323 members. It reads —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We the undersigned, say the Wellington National Park is currently at usage capacity and is inadequate in size for its long term environmental integrity and the future demand on its resources. Now we ask the Legislative Assembly to expand the Wellington National Park from its current size of 17,500 hectares to 30,000 hectares to include the state forests of Arcadia, Yabberup, Lowden, Mungilup and the Wellington Discovery Forest reserve.
