I thank the minister again for the answer to question 1198. I refer to the cooperative management committee under the south west native title settlement.

- (1) What is the status of the establishment of the management committee?
- (2) When does the minister expect the management committee to be established?

Hon DARREN WEST replied:

I thank the member for some notice of the question. On behalf of the Minister for Environment, I provide the following answer.

- (1)–(2) The cooperative management agreement with the Karri Karrak Aboriginal Corporation was executed on 27 July 2023, and the first cooperative management committee meeting is expected prior to the end of 2023.
