

MITCHELL FREEWAY, EXIT TO RIVERSIDE DRIVE, CLOSURE AND WILLIAM STREET,  
REDUCTION IN LANES

1400. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

Prior to the completion of the Farmer Freeway and Northbridge Tunnel the previous Government promised that the freeway would allow a reduction in lanes along William Street and the closure of the Mitchell Freeway exit to Riverside Drive -

- (1) Has the Mitchell Freeway exit to Riverside Drive been closed?
- (2) If not, when does the Government intend to close the exit?
- (3) Has there been a reduction in lanes along William Street?
- (4) If not, when does the Government intend to carry this out?

Hon KEN TRAVERS replied:

- (1) No.
- (2) This Government has no plans to close the Mitchell Freeway exit to Riverside Drive.
- (3) No.
- (4) This Government does not intend reducing the number of lanes in William Street.
