

BICYCLE NETWORK PLAN — PUBLICATION

1135. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to question without notice 323 in relation to the “Western Australian Bicycle Network Plan 2014–2031”, and the answer received.

- (1) On or before 28 February 2014, had the department ordered the printing of any version of the plan?
- (2) If yes to (1) —
 - (a) on what date was the plan printed;
 - (b) how many copies of the plan were printed;
 - (c) what was the total cost of the printing, inclusive of GST; and
 - (d) was the plan distributed to the public; and, if not, why not?
- (3) If the department ordered the printing of the plan on or before 28 February 2014 that was different from the plan subsequently released to the public on Saturday, 29 March 2014, can the parliamentary secretary explain —
 - (a) why the answer to (3) in question without notice 323 was “No”; and
 - (b) why the answer to (4) in question without notice 323 was “Not applicable”?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

- (1) Yes.
- (2) On 26 November 2013, 100 copies of the “Western Australian Bicycle Network Plan” were printed at a cost of \$2 398, ready for the launch on a date to be determined by the government. The plan was subsequently updated to include the new Minister for Transport’s details, due to the change in minister.
- (3) The Department of Transport apologises for its error in providing incorrect advice to the parliamentary secretary. The only difference was the update to include the new Minister for Transport’s details.
