

ROEBOURNE REGIONAL PRISON — AIR CONDITIONING

**1487. Hon WILSON TUCKER to the minister representing the Minister for Corrective Services:**

The weather forecast for next week shows that Roebourne will reach a top of 41 degrees. Can the minister please update the house on when the rollout of air conditioning in prison cells at Roebourne Regional Prison will be completed?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The following information has been provided to me by the Minister for Police.

The Department of Justice advises that the temperature management project at Roebourne Regional Prison is scheduled for completion by December 2024.
