

RAIL LINES — FREMANTLE — DISRUPTION

2794. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

I refer to the train disruption to the Fremantle rail line on Thursday, 5 March 2015, and I ask:

- (a) what time did the delays first occur;
- (b) what were the technical issues responsible;
- (c) when did services resume; and
- (d) how many services were affected?

Hon Jim Chown replied:

- (a) 4.40pm
- (b) There were no technical issues responsible for the delay. A train struck a truck at the Victoria Street level crossing as the truck had failed to clear the railway line.
- (c) 6.30pm
- (d) 25 train services operated part of their journey only.
