

SCHOOLS — CHILDREN WITH HARMFUL SEXUAL BEHAVIOURS

454. Hon NICK GOIRAN to the Leader of the House representing the Minister for Education:

I refer to the minister's answer on 14 February 2023 to my question without notice 14 that revealed that three alleged or convicted offenders were attending the same public school as their victims.

- (1) As at the start of term 2, were the three alleged or convicted offenders still at the same school as their victims?
- (2) If no to (1), is this because one or more of the student victims has moved schools away from their attacker?
- (3) What is the current total number of alleged or convicted offenders who are attending the same public school as their victims?
- (4) For the calendar year to date, how many police notifications has the department received under the protocol to manage safety arrangements for school students?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) No.
- (2) No.
- (3) Four.
- (4) Two.
