

METRO AREA EXPRESS LIGHT RAIL AND PERTH AIRPORT LIGHT RAIL PROJECTS

**222. Hon LJILJANNA RAVLICH to the parliamentary secretary representing the Minister for Transport:**

- (1) What is the current estimate for the net cost, including debt servicing, of operating the government's proposed airport railway link?
- (2) What is the current estimate for the net cost, including debt servicing, of operating the government's proposed Metro Area Express light rail project?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of this question.

- (1)–(2) The project definition plans for both the Forrestfield–airport link and the MAX light rail projects are nearing finalisation for consideration by the government. Until that consideration is complete, it is premature to provide cost estimates.
