HON SUE ELLERY'S COMMENTS**

Statement

HON JIM CHOWN (Agricultural) [10.01 pm]: Thank you, Madam President. Firstly, I would like to acknowledge the Leader of the House's comments about the press statement. At this stage, I do not have the actual document in front of me. If the leader is happy, I will be more than happy to apologise at the appropriate time tomorrow, after I have satisfied myself regarding the comments in the document and the other matters she raised. The leader has known me for eight years or longer. I believe in honesty and integrity. If an apology is required, I will give her one sincerely.
