

LIVE EXPORT — FEDERAL GOVERNMENT POLICY

**478. Mr P.J. RUNDLE to the Premier:**

I have a supplementary question. Surely, once the Prime Minister leant on the Premier to repeal the Aboriginal Cultural Heritage Bill —

Several members interjected.

**The SPEAKER:** Order, members! I will just say to the member for Roe that that is a preamble and that which you have said so far does not relate to the first question. A direct question that directly pertains to the original question, please.

**Mr P.J. RUNDLE:**

Premier, surely, given the events of recent days, this was the perfect bargaining opportunity for the Premier to save the WA live export industry.

**The SPEAKER:** That is a statement. Does the Premier wish to respond?

**Mr R.H. COOK replied:**

No, that is a completely nonsensical question and I am not quite sure what its intent is, so I will not answer.

**The SPEAKER:** Members, that concludes question time.
