Occupancy based on multi-day beds only

NMAHS: Based on occupied beds at midnight

SMAHS: Based on accommodation demand at 0400 hours

JHC: Public Only – the beds used in the calculation include the 160 purely public beds and the 115 beds that can be utilised by either public or private, where public only exceeds 100% then private only beds have been utilised to accommodate public patients, the patient figures utilised are public only.
