

ACCESS TO NATURAL ASSETS

Petition

MR P.D. OMODEI (Warren-Blackwood) [3.02 pm]: I present a petition from 230 petitioners regarding coastal access in the following terms -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

Keep our Coast Open

We the undersigned say:-

We are extremely concerned about moves by the State Government through Government policy and CALM Management Plans, to close and in many cases limit access to our natural assets ie Lake Jasper, Yeagerup Dunes, National Parks and State Forests, the coast and our river systems.

Now we ask that the Legislative Assembly direct the Premier and Ministers of the Crown responsible for policies limiting our access and enjoyment of these areas to listen and act on our recommendations/submissions to enable us to continue our traditional access/use of our natural assets as they have been part of the social fabric of our communities for generations.
