I refer to the advertising of alcohol products on public transport vehicles and associated signage, and I ask:

- (b) what are the bus route numbers for the bus id's listed in question on notice No. 3392;
- (c) what revenue has been raised by the advertisement of alcohol on public transport vehicles and associated signage for the 2015–16 financial year to date; and
- (d) what was the approximate value of revenue received by the Public Transport Authority under the APN Licence Agreement from alcohol advertising on public transport in 2014–15?
