

NORTHBRIDGE TUNNEL, COMPENSATION CLAIMS

453. Hon TOM STEPHENS to the Minister for Transport:

What action has been taken by the Government in response to the compensation claims for more than \$2m presented to Main Roads WA on 11 October for damage caused to homes as a result of the construction of the Northbridge tunnel?

Hon M.J. CRIDDLE replied:

I thank the member for some notice of this question.

Main Roads Western Australia has been liaising with tunnel contractor Boulderstone Clough Joint Venture and its insurers about the claim. The contractor's insurers have advised that it will be in a position to respond to Main Roads about the claim within a fortnight.
