

ATLAS SITE

**Hon JIM SCOTT to the Leader of the House representing the Premier:**

- (1) Did the Premier give a commitment to the Mirrabooka Action Group that his Government would not give new planning permission that would threaten the use of the Atlas site in Alexander Drive, Noranda, for parks and recreation?
- (2) Is the Premier aware of a proposal to reopen the failed digester equipment on the site?
- (3) Will the Premier oppose planning permission for the digester on that site?

**Hon KIM CHANCE replied:**

I thank the member for some notice of this question. However, it is not possible to provide the information in the time allocated. I request that the member place the question on notice.
