

ROAD SAFETY — COALFIELDS HIGHWAY UPGRADE

**663. Mr M.P. MURRAY to the Minister for Police:**

I have a supplementary question. Surely the comments this week by the independent chair of the Road Safety Council, Professor D'Arcy Holman, criticising this government for its failure on Towards Zero and maintaining roads such as the Coalfields Highway should get him doing something.

**Mr R.F. Johnson:** That is a statement, not a question.

**The DEPUTY SPEAKER:** The member for Murray–Wellington.
