

MR CLIVE BROWN - REGISTER OF LOBBYISTS

**409. Mr P.D. OMODEI to the Premier:**

I have a supplementary question. Will the Premier table any advice that either he or his department has received regarding the reason Mr Brown is not required to be on the register?

**Mr A.J. CARPENTER replied:**

I have given the answer. That is the answer. I understand that Mr Brown is not a lobbyist. He is directly employed by those companies. He does not fit the category.
