

*DIGITAL STRATEGY ROADMAP FOR THE WESTERN AUSTRALIAN GOVERNMENT: JANUARY 2022*

**88. Hon WILSON TUCKER to the Minister for Innovation and ICT:**

I congratulate the government on the publication of the *Digital strategy roadmap for the Western Australian government: January 2022*. The road map states that the digital inclusion in WA blueprint is still under development. I note that the road map time line ends in 2025. Can the minister advise when the blueprint is expected to be completed?

**Hon SAMANTHA ROWE replied:**

I thank the member for some notice of the question. I provide the following answer on behalf of the Minister for Innovation and ICT.

I can advise that the blueprint is anticipated to be published in the second half of 2022.
