

BUSINESS ACTIVITY STATEMENTS, DEPARTMENTS AND AGENCIES

413. Hon TOM STEPHENS to the Minister for Transport:

Has the minister satisfied himself that the departments and agencies under his ministerial responsibilities have or will lodge their business activity statements in time to meet their new tax system obligations?

Hon M.J. CRIDDLE replied:

I thank the member for some notice of this question. All the departments and agencies under my responsibility have met their legal obligations with regard to lodgment of their business activity statements.
