

SCHOOLS — CHILDREN WITH HARMFUL SEXUAL BEHAVIOURS

14. Hon NICK GOIRAN to the Leader of the House representing the Minister for Education:

I refer to the answer to question without notice 926, which revealed that as at 13 October 2022, four alleged or convicted offenders were attending the same public school as their victims.

- (1) As at the start of term 1, were the four alleged or convicted offenders still at the same school as their victims?
- (2) What is the current total number of alleged or convicted offenders who are attending the same public school as their victims?
- (3) Is the minister aware of any offenders attending the same private school as their victims?
- (4) For the calendar year to date, how many police notifications has the department received under the protocol to manage safety arrangements for school students?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question.

- (1) No. Only one of those four students is at the same school.
- (2) There are three.
- (3) There are no students in this category.
- (4) None.
