

FREMANTLE PORT AUTHORITY, FINANCIAL AND EMPLOYEE STATISTICS

433. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure
- (1) How much has the Fremantle Port Authority contributed to the State from -
- (a) taxes;
  - (b) royalties; and
  - (c) any other payments,
- for each of the last five financial years?
- (2) How much has the Fremantle Port Authority contributed to the City of Fremantle in the form of -
- (a) rates; and
  - (b) other payments,
- for each of the last five financial years?
- (3) What is the current number of people employed by the Fremantle Port Authority?
- (4) How many of these employees live in the Fremantle Local Government area?
- (5) How much income has the Fremantle Port Authority derived from tenants for each of the last five financial years?

Hon GRAHAM GIFFARD replied:

	(1)(a)	(1)(b)	(1)(c)
1997	\$5.286 million	Nil	Nil
1998	\$7.290 million	Nil	Nil
1999	\$5.774 million	Nil	\$1.262 million
2000	\$7.120 million	Nil	\$0.845 million
2001	\$8.599 million	Nil	\$0.875 million

  

	(2)(a)	(2)(b)
1997	Nil	\$50,430
1998	Nil	\$38,337
1999	Nil	\$21,384
2000	Nil	\$ 630
2001	Nil	\$12,403

In 1999/00 it was estimated that tenants of Fremantle Ports paid annually approximately \$600,000 in rates to the Fremantle City Council when services such as roads, lighting, footpaths, street cleaning, drainage and rubbish services are provided by Fremantle Ports.

- (3) 210
- (4) This is not information normally required and would take some time to collate. If the Hon. Member could explain the relevance of the question we would consider whether or not resources should be devoted to this.
- (5) 1997 - \$7.051 million  
1998 - \$7.607 million  
1999 - \$8.298 million  
2000 - \$8.793 million  
2001 - \$8.843 million
