

UBER TAXI SERVICE

394. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

- (1) Did the minister or any of his staff have any contact in either a personal or professional capacity with anyone connected with Uber yesterday?
- (2) If yes —
 - (a) what was the nature of the contact;
 - (b) who was involved; and
 - (c) at what time did this contact occur?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question.

- (1)–(2) Yes. An email from Uber Perth general manager Simon Rossi was received which provided information on the current state of the on-demand transport industry in Western Australia and Uber's support for the introduction of sensible safety-based ridesharing regulations. Phone discussions related to the information in the email.
