- (3) Of the total number of vehicles, how many are -
 - (a) petrol or diesel powered;
 - (b) LPG powered; and
 - (c) powered by other means?
- (4) What actions have these agencies taken to increase the proportion of vehicles using Liquefied Petroleum Gas (LPG)?

Hon M.J. CRIDDLE replied:

- (1) 60.
- (2) (a) 36.
(b) 24.
- (3) (a) 60.
(b-c) Nil.
- (4) To date it has not been cost beneficial to acquire LPG units particularly with the limited supply in regional and remote areas of the State. However the Aboriginal Affairs Department will evaluate the LPG option with all its new and replacement vehicles in response to the State Government's initiative in this area.
