

DRIVING ASSESSMENTS — BUSSELTON AND MARGARET RIVER

502. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to question without notice 471. How did the general manager, regional services become aware of the operational requirements that resulted in a special arrangement being put in place on 12 October 2012 in Busselton?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question. Just bear with me as I flick through the many questions from the honourable member. I am trying to find C471, was it?

Hon Ken Travers: This is C562.

Hon JIM CHOWN: Okay; thanks.

Hon Ken Travers: But you can table them all if you like! I am happy to help!

Hon JIM CHOWN: I thank the honourable member.

As has been stated numerous times in answering similar questions, the Department of Transport determines how and where to allocate its resources to meet operational requirements.

Hon Ken Travers: That is not the question, though, is it? You're not answering my question.

Hon JIM CHOWN: That is the answer.
