Notes:

1. The Metropolitan Districts aggregate figure (not including Peel District) is used as the Key Performance Indicator for the WA Police.
2. Over the full period 2001 to 2007 there has been substantial change to the business rules and practices both in assigning task priorities, and in responding to tasks. Data is not directly comparable across this entire period.
3. The Target time for Priority 2 Tasks has been consistent over this period at 9 minutes.
4. The 'Regional Coordinator' is not a Police District.

Notes:

a) Priority 1 and 2 tasks cover incidents where life or property, is or may be, in a state of threat or imminent danger. Offences include armed hold-up in progress, offender incident in progress and other life threatening incidents.
