

FORRESTFIELD–AIRPORT LINK — CONNECTION TO SOUTH RAIL NETWORK

1741. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

I refer to page 8 of the Forrestfield–Airport Rail Link brochure of the project definition plan titled *Selecting the route for Perth's new rail line* and in particular the statement 'in the longer term, the potential for future connection of the Forrestfield end of the new rail line to the broader rail network to the south', and I ask what connection to the rail network to the south is being considered?

Hon Jim Chown replied:

The member should refer to the information provided to him in the Legislative Council on the 14 October 2014 on this matter.
