

OAKAJEE INDUSTRIAL ESTATE - PROJECT DIRECTOR

833. Hon MURRAY CRIDDLE to the parliamentary secretary representing the Minister for Planning and Infrastructure:

Can the minister advise when a project director will be appointed to oversee the development of infrastructure requirements for the Oakajee industrial estate?

Hon KATE DOUST replied:

On behalf of the parliamentary secretary representing the Minister for Planning and Infrastructure, I thank the member for some notice of this question. A project director to oversee the development of infrastructure associated with the Oakajee deepwater port, the industrial estate and rail access to the facilities will be announced before the end of September 2006.
