

WASTE CONTROL PTY LTD, BELLEVUE, AIR MONITORING

841. Hon J.A. SCOTT to the minister representing the Minister for the Environment and Heritage:

- (1) When was the earliest air monitoring undertaken at the Waste Control Pty Ltd fire in Bellevue by the Department of Environmental Protection ?
- (1) Will the minister table the results?

Hon TOM STEPHENS replied:

- (1) The Department of Environmental Protection undertook monitoring for volatile organic compounds on 20 February 2001.
- (2) All air monitoring results were provided to residents in the area as soon as they became available. I now table the results on behalf of the Minister for the Environment
