

*Select Committee into Mining on Pinjin Station — Final Report — “Inquiry into Mining on Pinjin Station”*

Resumed from 14 May.

*Motion*

**Hon KYLE McGINN:** I rise very briefly in the time that I have to talk on the final report of the Select Committee into Mining on Pinjin Station.

**The CHAIR:** To facilitate that, perhaps the member could move that the report be noted.

**Hon KYLE McGINN:** I move —

That the report be noted.

**The CHAIR:** On that question, I now give Hon Kyle McGinn the call.

**Hon KYLE McGINN:** Thank you, Mr Chair. Hon Alison Xamon, I should have listened! I will take that one on the chin. Thank you very much.

I have only a very brief amount of time, but I would firstly like to say that the inquiry was an experience and it was something that I do not think I will forget for a long time. The committee was chaired by Hon Robin Scott. The other members on the committee were Hon Michael Mischin, Hon Robin Chapple, Hon Jacqui Boydell and me. The committee had quite a big terms of reference and there was a lot of public discussion about this before we entered it. I look forward to talking more about it on the next occasion.

**Consideration of report adjourned, pursuant to standing orders.**

**Progress reported and leave granted to sit again, pursuant to standing orders.**
