

FOREST MANAGEMENT PLAN

35. Mr P.D. OMODEI to the Premier:

I have a supplementary question. I refer to the second part of the question relating to the social and economic impact of this issue on those communities. The member has been Premier now for 79 weeks. Will the Premier visit those communities or will he continue to be the gutless mongrel that he is and stay in power?

Withdrawal of Remark

The SPEAKER: Order! The member for Warren-Blackwood will withdraw those comments.

Mr P.D. OMODEI: If I get an answer, I will withdraw.

The SPEAKER: The member will withdraw those comments instantly or I will name him.

Mr P.D. OMODEI: Mr Speaker, I am not going to withdraw them.

The SPEAKER: I will give the member for Warren-Blackwood one last chance to withdraw those comments or he will be removed from the Chamber.

Mr P.D. OMODEI: It has now been 79 weeks since he has been the Premier and he has not been to my community to explain those volumes and I will not withdraw.

Suspension of Member

The SPEAKER: I ask the Deputy Clerk to remove the member for Warren-Blackwood from the Chamber.

[The member for Warren-Blackwood was escorted from the Chamber.]
