

**DIAMOND TREE**

*Petition*

Mr Omodei presented the following petition bearing the signatures of 343 persons -

To the Honourable the Speaker and Members of the Legislative Assembly in Parliament assembled.

We, the undersigned, say that we have been told of plans to build a lift at Diamond Tree. We object to the idea for this tourist attraction. It would be better to keep it as it is so that people can see it in its natural state.

Now we ask that the Assembly prevent a lift structure being built beside the Diamond Tree and look at an alternative site in the Manjimup area.

Your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.

[See petition No 158.]
