

PUBLIC HOSPITALS - ADMINISTRATION STAFF

2827. Mr P.D. Omodei to the Minister for Health

- (1) How many administration staff were employed in Western Australian public hospitals at 30 September 2007 (provide a breakdown of numbers and hospitals)?
- (2) How many administration staff have resigned, retired or were terminated from Western Australian public hospitals in 2007 to date?

Mr J.A. McGINTY replied:

- (1) At the 30 September 2007, 2,506 FTE delivered clinical administration support (10.7% of the total hospital workforce of 23,305) and 1,465 FTE (6.4% of total hospital workforce of 23,305) delivered hospital corporate administration functions. [See paper 3436.]
- (2) 630 administration staff (head count) resigned, retired or were terminated from Western Australian public hospitals from 1 January 2007 to 18 October 2007.

Notes: Excludes agency staff; excludes Joondalup and Peel Health Campuses.
