

CARNARVON WATER SUPPLY

521. Hon KIM CHANCE to the minister representing the Minister for Water Resources:

- (1) In 1993 how much did the Water Authority charge per kilolitre of water for residential, commercial and irrigation purposes in Carnarvon?
- (2) How much does the Water Corporation currently charge per kilolitre of water for residential, commercial and irrigation purposes in Carnarvon?
- (3) How much does the Water Corporation currently charge per kilolitre for supplying water in both the metropolitan and the non-metropolitan areas for residential and commercial purposes?

Hon M.J. CRIDDLE replied:

The answer is about four pages long; I therefore table the reply to that question.
