

WARREN-BLACKWOOD DISTRICT, HOSPITAL SERVICES FUNDING CUTS

Petition

Mr P.D. Omodei presented the following petition bearing the signatures of 110 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say:-

That we, the people of the Warren-Blackwood District are deeply concerned about moves by the Premier Dr Gallop and Health Minister Jim McGinty to cut funding and services in our local hospitals. Further, many of us have great difficulty in accessing health care and services in Bunbury and Perth.

Now we ask that the Legislative Assembly advise the State Labor Government that we believe that **Health Care** and **Health Services** should be restored to our towns so that the majority of people can be cared for in our hospitals close to home and family.
