

**BEDNALL ROAD BRIDGE**

*Petition*

Mr M.P. Murray presented the following petition bearing the signatures of 19 persons -

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, say

That the area known as Bednall Road Bridge is a hazard to pedestrian and vehicular traffic. The current situation has a speed limit of 110km/h onto a one lane bridge where traffic is in excess of 350 vehicles a day.

Now we ask that the Legislative Assembly

Take action to make safe the area. The resolution to this situation is twofold in that the Bridge needs to be upgraded to allow for two lanes of traffic, and the speed limit needs to be lowered to recognise the amount of foot traffic in the area.

[See petition No 179.]
