

METROPOLITAN RAIL NETWORK — DISRUPTION — PUBLIC TRANSPORT AUTHORITY REPORT

168. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to advice provided by the Public Transport Authority to assist the minister in answering question without notice 139 regarding the investigation into the dewirement of the overhead wire between Warwick and Stirling train stations.

- (1) Did the PTA advice indicate that the report could be tabled?
- (2) If yes to (1), why did the minister not accept its advice?
- (3) If no to (1), what reasons did it provide for denying Parliament this document?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of this question.

- (1) Question without notice 139 was asked of the Minister for Transport. To assist in the preparation of the answer, the relevant agency was contacted for input, as is standard practice.
- (2)–(3) Not applicable.
