Questions without Notice 794 and 796 — Answer Advice

HON JIM CHOWN (Agricultural — Parliamentary Secretary) [5.05 pm]: Mr President, due to the incorrect placement of a question in my folder today, I have inadvertently given the correct answer to the wrong question. So, rather than go through it all again, and to expedite the process, I am more than happy to table the answers to the questions asked by Hon Amber-Jade Sanderson and Hon Samantha Rowe.

The PRESIDENT: I think you have to provide the answers.

Hon JIM CHOWN: Very well, Mr President. I shall go through that process again.

The answer to question C856 from Hon Amber-Jade Sanderson is as follows —

I thank the member for some notice of this question.

- (1) Heavy vehicle modelling was undertaken for this section of the Tonkin Highway as part of the planning for Roe 8.
- (2) Modelling for the total NorthLink project is still underway. These figures are not yet available.
- (3) Refer to part (2).

The answer to question C855 asked by Hon Samantha Rowe is as follows —

I thank the member for some notice of this question.

- (1) The total cost is \$49 million; and, yes, it is funded as part of the announced cost.
- (2) No.
- (3) Not applicable.
- (4) Construction to commence in early 2016, with completion estimated in late 2016.

Thank you, Mr President.

The PRESIDENT: I hope Hansard can sort all that out.

Hon JIM CHOWN: I hope so, too!
