

MORGAN FIELDS ESTATE — STREET POST BOX

Petition

MS R. SAFFIOTI (West Swan) [12.19 pm]: I have a petition with 73 signatures that conforms to the standing orders of the Legislative Assembly. The petition is on behalf of the residents of Morgan Fields, part of the Henley Brook suburb, which reads as follows —

To the Honourable the Speaker and Members of the Legislative Assembly of the Parliament of Western Australia in the Parliament assembled.

We, the undersigned, say that the Morgan Fields estate requires its own Australia Post street posting box. It is unreasonable to make residents travel to Ellenbrook to post their mail, when the estate in Henley Brook is the perfect location for a posting box to serve the area.

Now we ask the Legislative Assembly to support our request to have a street posting box installed in the Morgan Fields estate.

[See petition 202.]
