

GLOBAL OLIVINE WASTE TO ENERGY PLANT, KWINANA

9. Hon Jim Scott to the Minister for Housing and Works representing the Minister for the Environment and Heritage
- (1) Has the Department of Environmental Protection ever had any discussions or correspondence with the proponents of the Global Olivine waste to energy plant proposed for Kwinana on the possibility of a joint venture with the proponents once it has secured a waste stream?
- (2) If yes, what were the details of any proposals and will the Minister table any of those proposals?

Hon TOM STEPHENS replied:

- (1) No. There have been no discussions of this type with the proponents of the Global Olivine waste to energy plant.
- (2) Not Applicable.
