

UNIVERSITY OF WESTERN AUSTRALIA, UNDERWOOD AVENUE REDEVELOPMENT

478. Dr EDWARDS to the Minister for Planning:

- (1) What advice has the Ministry for Planning provided to the University of Western Australia with respect to the proposed Underwood Avenue redevelopment?
- (2) Will the Minister table this Advice?
- (3) If not, why not?

Mr KIERATH replied:

- (1) In recognition of the current Urban zoning in the Metropolitan Region Scheme for this site, a negotiated outcome (which involves a compromise between conservation and development) has been proposed by the University. At officer level, the Ministry for Planning has indicated that the proposal is generally acceptable on Bushplan grounds as expected for the site under Perth's Bushplan. However, there are other outstanding planning and environmental issues which need to be addressed.
- (2) I table a letter to Chappell and Lambert from David Nunn, A/Executive Office, Ministry for Planning dated 20 October 1999. [See paper No 182.]
- (3) Not applicable.
