

MEDICAL RESOURCES — SHARK BAY

142. Hon NEIL THOMSON to the Leader of the House representing the Minister for Health:

I refer to comments of the Shire of Shark Bay president, Cheryl Cowell, made on ABC news on 1 March, regarding the scarcity of medical resources, and noting the answer to question without notice 903 asked on 10 September 2020.

- (1) Was the review into all 12 remote area nursing posts referred to in the answer completed?
- (2) If yes to (1), is the review publicly available and can it be tabled?
- (3) Have there been any significant changes to the medical resources available in the Shark Bay region since September 2020?

Hon SUE ELLERY replied:

I thank the honourable member for some notice of the question. To allow for a fulsome and accurate answer, the minister asks that the member places the question on notice.
