

CROSSROADS INFRASTRUCTURE — COST

2898. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

- (1) What is the average cost of building a roundabout and associated traffic treatments at a standard cross road intersection?
- (2) What are the ongoing annual maintenance cost of a roundabout?
- (3) What is the average cost of installing traffic lights and associated traffic treatments at a standard cross road intersection?
- (4) What are the ongoing annual maintenance cost of traffic lights?

Hon Jim Chown replied:

- (1)–(4) Construction costs will vary depending on a number of factors including individual site characteristics, the cost of land and of relocating existing utilities along the affected road verges to suit the proposed new road geometry.
